Changes in the rules applicable to tee booking will be communicated to members prior to being introduced.
- (d) If a match fails to keep its place on the course and loses one clear hole on the players in front, it must invite the match following to pass.
- (e) If there is no reserved tee time, all players intending to play in a game must be present on the tee, to establish that group's precedence in order of play.
- (f) A player must not play more than 2 balls on the course or pitch and putt course and must not use any part of the course proper as a practice area.

- iv) Players should be at the tee 5 minutes before their starting time and be ready to play. They must drive off on time and play without delay throughout the round.
